information or provide further proof to the evaluation committee. In these cases, the National Research Foundation provides the areas of concern to the short listed bidders to address in their presentations with this document and, where necessary, may provide further areas of concern to the short listed bidders at this stage.

### Stage 2C – Due Diligence Research

The National Research Foundation confirms the recommended bidder(s)'s reference letters with referees to confirm the recommendation(s).

### Stage 3 – Price/Preference Evaluation

#### Basis of fair competition:

The NRF compares each bidder's pricing proposal on an equal and fair comparison basis equitable to all bidders, taking into account all aspects of the bid's pricing requirements including the application of fair pricing tests as set out below in the section "Insufficiency of Funds".

#### Ranking of the bidders pricing:

The NRF ranks the qualifying bids on price with lowest priced Bid receiving the maximum points (either 80) and the remainder ranked in relation to the lowest priced bid. The NRF adds the bidders' claimed preference points as verified to the submitted preference claim form (SBD 6.1) to provide the final ranking for the award decision.

### Stage 4 – Checking Tax Compliance

#### Stage 4A – Taxpayers Resident in South Africa

The NRF notifies the recommended bidder in writing where their tax compliance check reflects that they are non-compliant and provides the recommended bidder seven (7) working days to submit written proof from SARS of their tax compliance status or proof that they have made an arrangement with SARS to meet their outstanding tax obligations. Failure to deliver such written evidence of compliance results in the rejection of that recommended bid.

#### Stage 4B – Non-Resident Foreign Bidders

Where foreign bidders are submitting a bid, they complete all sections of the SBD1 especially the tax questionnaire. The NRF submit the Foreign Bidder's completed SBD1 to the South African Revenue Service to obtain from the South African Revenue Service the Confirmation of Tax Obligations letter. Where South Africa Revenue Services does not issue the letter, Stage 4A applies in clearing the reason for not receiving the letter.

### Stage 5 – Award and Contract Signing

The NRF nominates the bidder with the highest combined score for the contract award subject to the bidder having supplied the relevant administrative documentation.

## **6. ACKNOWLEDGEMENT OF READING EACH PAGE**

The bidder warrants by signature in this document that the bidder has read and accepts each page.

## **7. CENTRAL SUPPLIER DATABASE REGISTRATION**

Bidders are requested to register on the Central Supplier Database and to include in their bid their Master Registration Number (Supplier Number) in order to enable the NRF to verify the supplier's tax status on the Central Supplier Database.

## **8. CLARIFICATION**

If the respondent wishes to clarify aspects of this request or the acquisition process, they contact the officials listed under the enquiries section above. The National Research Foundation does not provide the origin of the request to any party.

## **9. RESPONSE PREPARATION COSTS**

The NRF is not liable for any costs incurred by a bidder in the process of responding to this Bid Invitation, including on-site presentations.

## **10. COLLUSION, FRAUD AND CORRUPTION**

Any effort by Bidder/s to influence evaluation, comparisons, or award decisions in any manner will result in the rejection and disqualification of the bidder concerned.

### 11. FRONTING

The NRF, in ensuring that bidders conduct themselves in an honest manner will, as part of the bid evaluation processes where applicable, conduct or initiate the necessary enquiries/investigations to determine the accuracy of the representation made in the bid documents. The onus is on the bidder to prove that fronting does not exist, should the National Research Foundation establish and notify the bidder of potential breaches of any of the fronting indicators as contained in the Department of Trade and Industry's "Guidelines on Complex Structures and Transactions and Fronting". Failure to do so within a period of 7 days from date of notification will invalidate the bid/contract and may also result in the restriction of the bidder to conduct business with the public sector for a period not exceeding 10 years, in addition to any other remedies the NRF may have against the bidder concerned.

### 12. DISCLAIMERS

The NRF has produced this document in good faith. The NRF, its agents, and its employees and associates do not warrant its accuracy or completeness. The NRF makes no representation, warranty, assurance, guarantee or endorsements to any provider/bidder concerning the document, whether with regard to its accuracy, completeness or otherwise and the NRF shall have no liability towards the responding service providers or any other party in connection therewith.

### 13. CANCELLATION OF THE QUOTATION PRIOR TO AWARD

**Procurement not required:** The NRF cancels the Bid Invitation prior to making an award if due to changed circumstances there is no need for the specified procurement in the document.

**No Acceptable Quotations:** The NRF cancels the Quotation Invitation prior to making an award if it receives no acceptable bids i.e. that do not meet the minimum requirements set out in this document.

**Invalid Bid Procedure:** The NRF cancels the Quotation Invitation prior to making an award if a material irregularity occurred in the bid process.

**Insufficiency of Funds at date of Award:** The NRF cancels the Quotation Invitation prior to making an award if the funds are no longer available to cover the total estimated contract value at the date of the evaluation.

**Quoted Prices are within a fair price range:** The NRF cancels the Quotation Invitation where the offered price is defective as being too low or too high to the identified fair price range. The NRF conducts fair pricing tests to arrive at an opinion of reasonableness of the offer price. Where these tests reflect pricing outside of the established fair price range, the evaluators may recommend price negotiation and no other component. The NRF starts negotiation with the winning bidder or, where that bidder refuses negotiation, with the next ranked bidder in the price/preference ranking until a market related price is achieved.

## SBD 1 SIGNATURE

**NB: FAILURE TO PROVIDE / OR COMPLY WITH ANY OF THE ABOVE PARTICULARS MAY RENDER THE BID INVALID.**

**SIGNATURE OF BIDDER:**

## SCOPE OF WORK

### INTRODUCTION TO THE NRF

The National Research Foundation Act, Act 23 of 1998, establishes the National Research Foundation (“NRF”) as the juristic person that makes this bid invitation and will contract with the awarded bidder. The Public Finance Management Act classifies the organisation as a Schedule 3A Public Entity.

The NRF is the government’s national agency responsible for promoting and supporting research and human capital development through funding, the provision of National Research Facilities and science outreach platforms and programs to the broader community in all fields of science and technology, including natural science, engineering, social science and humanities.

The **South African Institute for Aquatic Biodiversity (NRF-SAIAB)**, based in Makhanda formerly known as Grahamstown, Eastern Cape, is a **National Research Facility of the National Research Foundation**, a public entity, established in terms of the National Research Foundation Act No. 23 of 1998. SAIAB is an internationally recognised centre for the study of aquatic biodiversity.

### CONTEXT OF THIS PROCUREMENT

The South African Institute for Aquatic Biodiversity (NRF-SAIAB) is looking for a panel of service providers to act as Skippers/Relief Skippers on NRF-SAIABs coastal vessels and estuary/inland water vessels. The Skipper/s will be called upon on occasions where (1) SAMSA regulations stipulate that a Relief Skipper is required due to the nature of a project, (2) when the primary NRF-SAIAB Skipper is not able to undertake the trip or (3) when the nature of a project requires assistance doing duties that cannot be safely achieved without assistance. The service provider will be expected to assist with pre-trip planning, mobbing and demobbing of vessels, the cleaning of the vessel during and post trip, navigation, skippering, watch keeping, maintaining professional stakeholder engagement when on a trip and other duties relevant to marine research operations. All Skippers will be expected to be physically able to carry out their duties for extended periods and will further be expected to be able to bend and stoop and assist with the carrying of heavy loads and manual labour. Work duration will range from single day trip to multiple week trips in isolated locations.

NRF-SAIABs coastal crafts operate out of Sodwana Bay, Richards Bay, Durban, Mdumbi, Kei Mouth, East London, Port Alfred, Gqeberha, Port St Francis and Cape Town. NRF-SAIABs under 9m RIB operates from any suitable launch site within South Africa and neighbouring counties. NRF-SAIAB has four (4) coastal crafts:

Name	Make	Type	Size	Home port	Minimum qualifications
RV Observer	Legacy Marine	Aluminium cat within inboard jet engines	15.75	Port Elizabeth	• Coastal Skipper ≥9m
Phakisa	Legacy Marine	Aluminium cat within inboard jet engines	14.5	Durban	• Coastal Skipper ≥9m
uKwabelana	Lee Cat	Fibreglass cat with outboards	13	Durban	• Coastal Skipper ≥9m
Hispidus	Stingray	RHIB with outboards	8.5	NA	• Day Skipper ≤9m or OR Coastal Skipper <9m • EB, or equivalent, trailer towing license • SCUBA endorsement • Surf-launch endorsement

Three vessels (Names: Observer, Phakisa, uKwabelana) that operate from ports and are registered as SAMSA category B over 9 meters (Min service provider requirements = Coastal Skipper ≥9m). One vessel (Name: Hispidus) that is registered as a SAMSA category B vessel under 9 meters and operates off beaches, out of river mouths, small boat harbours and ports (Min

service provider requirements = Day Skipper  $\leq 9\text{m}$  or  $\geq 9\text{m}$  OR Coastal Skipper  $< 9\text{m}$  (Cat B Day and Night operations)). For the Category B under 9m vessel, the appointed service provider must hold a valid EB drivers licence, or equivalent that allows them to tow a trailer up to 3.5 tons, in order for them to be able to tow the vessel to location. For the Category B under 9m vessel, the services provider's skippers ticket is also expected to be SCUBA and Surf launch endorsed. It is expected that the service providers applying hold the relevant certificates to be able to operate these vessels without supervision. The service providers are expected to have  $> 5$  years of active skippering experience, and experience skippering for marine research and launching through the surf (applicable to Category B vessel under 9m), through river mouths at the below listed sites.

- Natal North and South Coast
- Eastern Cape, Wild Coast
- South Africa South Coast

The services will be required for a period of five (5) years. No amount of sales is guaranteed and the selection process will be based on project specific experience and skippering requirements.

### CONTRACT PERIOD

The contract period for this bid contract is five (5) years.

### DETAILED SPECIFICATION

- I. Pre- and Post-trip vessel preparations.
- II. Skippering for research activities in accordance with institutional SOPs.
- III. Relief skippering.
- IV. Watch keeping.
  - a. Including during SCUBA diving operations.
- V. Surf launching (on category B under 9m vessel) and associated beach operations.
- VI. Cleaning of vessels during and after trips.
- VII. Mobbing and de-mobbing of vessels.
- VIII. Professional engagement with stakeholders/researchers and students when on a trip.
- IX. Deck operations including anchoring, winch/davit operation.
- X. Maintaining high regard for safety on board.
- XI. EB Drivers licence with experience towing large boats on and off road.
- XII. Vessel maintenance and troubleshooting during field trips.
- XIII. The duties are not limited to the above mentioned and can change according to the nature of a project.

#### **Work and time management**

The service supplier is expected to keep a time sheet that includes time spent on the vessel pre- and post-trip as well as time spent on the vessel during a trip. The time sheet is to be approved by a NRF-SAIAB representative and it is to be signed off by the service provider and by a NRF-SAIAB representative once the trip has been completed. For the under 9m Cat B vessel, the skipper may be required to be on site at remote locations for up to 5 weeks during which time the vessel will go to sea

when the weather allows or the project requires. On the non-seagoing days, the Skipper may be required to assist with general vessel maintenance and other project logistics. In these situations, NRF-SAIAB anticipates paying a general day rate, on top of which vessel skippering rates will be added. The Skipper will be required to maintain a detailed daily log of activities. A job card will also be completed by the service provider and a NRF-SAIAB representative after every trip that will highlight the performance of the service supplier following every trip. The accumulated job cards will be used for annual contract performance reviews.

On completion of a job the service provider is to invoice NRF-SAIAB and must attach both the signed time sheet and job card to the invoice.

### **Health and Safety Requirements**

The contracted supplier shall be solely responsible for the safety and well-being of its employees (where relevant) in accordance with the Occupational Health & Safety Act (OHS Act 85 of 1993).

Ensure that all work performed and/or all equipment used on site are in compliance with the Occupational Health and Safety Act No. 85 of 1993 and any regulations promulgated in terms of this Act.

Where applicable South African Maritime Safety Authority and Transnet National Ports Authority regulations are to be met. Legislative compliance is not for the responsibility of NRF-SAIAB but for the service provider. NRF-SAIAB can at any stage request that the service provider supplies them documentation that shows that the service provider is operating within SAMSA regulations. This is inclusive of but not limited to Seafarers medicals, eye sight tests and proof of valid/in date STCW courses.

### **Additional Requirements:**

#### **Professionalism:**

- Timely (within 48 hours) and reasonable response to communication with SAIAB
- Meet expectations for skippering requirements of contracted project.
- Adherence to confidentiality clauses (refer to point 'd' below)
- Adherence to standard operating procedures for vessels, research equipment and OHS.
- SAMSA certification in date
- Respectful interactions with NRF-SAIAB staff, research teams and students

#### **Competency as a Research Skipper:**

- Able to safely operate SAIAB vessels, within SAIABs and SAMSAs regulations
- Able to safely carryout research activities to ensure project success

#### **Additional support:**

- Willingness to provide assistance required to support project logistics
- Willingness to proactively work on maintenance required for research vessels and research equipment

## SETS OF QUOTATION DOCUMENTS REQUIRED

**Number of ORIGINAL bid documents for contract signing** 1

Bidders must submit the above number of documents to SAIAB by email in PDF format. These serve as the original sets for the legal bid document and, upon award and signature, the legal contract document between the bidder and the NRF. (Where only one set is requested, this remains with the NRF). The bidders attach the originals or certified copies of any certificates stipulated in this document to these original sets of bid documents..

## GENERAL CONDITIONS OF CONTRACT

The National Research Foundation cannot amend the National Treasury's General Conditions of Contract (GCC). The National Research Foundation therefore appends Special Conditions of Contract (SCC) providing specific information relevant to a GCC clause below the relevant GCC. The National Research Foundation has filed its General Conditions of Contract GCC) on its website (<http://www.nrf.ac.za/procurement/General-Conditions-of-Contract>). These form part of this document's contract conditions. The NRF deems the bidder to have accessed and read the General Conditions of Contract. Whenever there is an unintended conflict, the provisions of the Special Conditions of Contract, listed below, shall prevail over the General Conditions of Contract.

## SPECIAL CONDITIONS OF CONTRACT

1 **Implementation Planning and Project Management:** The contracted provider will arrange an initial meeting to determine delivery execution with the assigned NRF project team. Both parties will review the proposed project execution plan submitted with the bid and agree on the finalised timetable stating clearing commence date and completion date of each stage of the implementation. Special conditions pertaining to project management are listed below (if applicable).

- The NRF-SAIAB vessel manager will work with the contracted service provider and the research team to facilitate skippering operations and research.
- All work carried out by the service providers will have to conform to the NRF-SAIAB standard operating procedures for vessels and research equipment.
- All work carried out by the service providers will have to conform to the NRF-SAIAB Occupational Health and Safety regulations.
- All work carried out by the service providers will have to conform to the SAMSA's regulations for operating vessels at sea.
- All data collected during the course of skippering operations are confidential and must not be shared with anyone other than the NRF project management unless prior permission has been obtained.

2 **Performance verification:** In terms of GCC Clause 16 read with the SCC Clause 16.2A, the NRF appointed contract manager or agent verifies that the performance of this contract in terms of services, delivery service, goods, labour and any other element specified in this contract is at the contracted performance level and/or the goods meet the contracted specifications with the represented of the contracted provider. Both parties verify this through signing the verification documentation. Both parties, at this time, agree on quantity, unit cost and total value on the same signed document.

Further verification steps are set out below:

3 **Contracted Party Due Diligence:** The NRF has the right to conduct supply chain due diligence including site visits and inspections at any time during the contract period.

4 **Communication:** The contracted parties communicate in writing through mail, delivery, or email. The contracted party states the contract number and purchase order number, if the latter is applicable, on communication documentation. The contract party does not act upon any communication without the contract number or must verify such communication with the assigned NRF contract manager prior to acting upon it.

5 **Occupational Health and Safety when working on NRF sites:** All personnel performing work on NRF site/s as part of this contract are responsible to obtain safety induction.

Over and above the obligations provided by the Occupational Health and Safety Act (OHS Act No 85 of 1993 and its Regulations, known as 'the Act'), the contracted party meets with all relevant health and safety instructions as given to them by site safety personnel, where relevant. Personal protection equipment including closed safety shoes, hard hats, height safety equipment, and high visibility vests are worn at all times while on the work site. All personnel are to obey the relevant instructions, including signage, related to restricted access and speed limits on all sites.

## GENERAL CONDITIONS OF CONTRACT

The contracted party, once signing the contract (SBD 7), is responsible for itself, its employees, and those people affected by its operations in terms of the Act the regulations promulgated in terms thereof. The contracted party performs all work and uses equipment on site complying with the provisions of the Act.

To this end, the contracted party shall make available to the NRF on the valid Letter of Good Standing in terms of the COID Act and ensures its validity does not expire while executing this bid, where applicable. The contracted party furnishes its registration number with the office of the Compensation Commissioner. The contracted party enters into a Section 37.2 agreement in terms of Occupational Health and Safety Act (OHS Act No 85 of 1993 and its Regulations) that the NRF drafts.

The contracted party maintains a health and safety plan complying with the requirements of The Act at the work site during the period that contracted work takes place on the site.

The NRF manages the contracted party in his capacity for the execution of this contract to meet the provisions of the said Act and the regulations promulgated in terms thereof. The contracted party accepts liability for any contraventions to the Act. Each member of the contracted party's team (including sub-contracted personnel), submit a signed indemnity form prior to entering the work site and kept in the contracted party's health and safety file.

- 6 The contract price is subject to contract price adjustment in accordance with the actual increase or decrease resulting from the change, imposition, or abolition of customs or excise duty and any other duty, levy, or tax, which, in terms of the law or regulation, is binding on the service provider and demonstrably has an influence on the price of any supplies, or the rendering costs of any service, for the execution of the contract.

## MANAGEMENT OF PERFORMANCE LEVELS

1. The Performance Levels are in the table below.
2. The NRF measures the contracted bidder's performance against these in the execution of the contract.
3. The contracted bidder recognises that its failure to meet the performance levels has material adverse impact on the operations of NRF and that the damage from the contracted bidder's failure to meet any performance level is not susceptible to precise determination.
4. The NRF excuses the contracted bidder from failing to comply with the performance levels to the extent that non-performance or delayed performance is solely and directly attributable to an act or omission of the NRF or its staff or circumstances of force majeure as referred to in this Agreement.
5. If the contracted bidder fails to meet any performance level:
  1. The contracted bidder shall investigate and report on the root causes of the performance level failure;
  2. Promptly correct the failure and begin meeting the set performance levels;
  3. Advise the NRF as and to the extent requested by the NRF of the status of remedial efforts being undertaken with respect to such performance level failure; and
  4. Take preventive measures to prevent the recurrence of the performance level failure.

## MANAGEMENT OF PERFORMANCE LEVELS

6. Both parties are responsible for monitoring and measuring the performance of the contracted bidder against the performance levels set in this document. The NRF deems failure by the contracted bidder to measure performance with respect the contract specifications for any measurement period as a failure to meet the stipulated performance levels.
